

1. If you were generally satisfied with the manager/coach, please give some examples of what they did well. If you were not satisfied, please identify what improvements can be made.

2. Did your child improve his baseball skills vs last year? What did your child learn this season?

3. Did the manager/coach discussed your child's performance with you at any time this season? Did the manager/coach discuss oportunities for skill development? Please explain

4. Would your child enjoy playing for this manager/coach again in the future? Would you suppor another season with this manager/coach?

5. Please provide any additional comments as needed.
